

In whatever work we do, we are called to give glory to God for the abilities and opportunities he provides. We do this by caring for the work we do, applying our God-given abilities to our work, and by respecting the responsibilities with which we have been entrusted. We do our best and give the glory to God.

Christian stewardship of work also teaches us that we are responsible to those with whom we work and those that may be served by our work. We are called to reflect the light of Christ in their lives, encourage them, support them and even love them. We are also stewards of our co-workers inasmuch as we cooperate and support them in their efforts for the good of all.
